

TRUMP INTERNATIONAL HOTEL & TOWER

CHICAGO, IL

Owens Corning delivers high-performance insulation solutions through a full line of fiberglass, foam, and mineral wool products and systems. These products and system solutions help conserve energy, improve acoustics, and ease installation and use. These qualities add up to preferred insulation products for residential and commercial construction and industrial applications.

An innovative perimeter fire containment assembly was installed using Thermafiber® FireSpan® and Thermafiber® Safing to help achieve outstanding floor-to-floor fire separation in compliance with building code fire requirements and SAFETY Act designation from the U.S. Department of Homeland Security.
