

CHICAGO RIVER POINT

CHICAGO, IL

Owens Corning delivers high-performance insulation solutions through a full line of fiberglass, foam, and mineral wool products and systems. These products and system solutions help conserve energy, improve acoustics, and ease installation and use. These qualities add up to preferred insulation products for residential and commercial construction and industrial applications.

With a minimum of 70% recycled content, the installed Thermafiber® insulation products contributed to valuable LEED® credits, helping the building earn a LEED® Pre-Certified Gold certification.¹
