

# SHINGLE STYLE BOARD REFERENCE GUIDE

Owens Corning created a series of roofing style boards to help homeowners select a shingle color that complements their home and their personal style. Style boards are found in our “Perfectly Put Together” roofing color pairing brochures, and online at [RoofingFashionColors.com](https://www.RoofingFashionColors.com) and [ShingleColorOfTheYear.com](https://www.ShingleColorOfTheYear.com).

This guide lists the Sherwin-Williams paint colors shown in each of the style boards starting with our most recent Shingle Color of the Year, followed by style boards featuring other shingle colors.
