

# Owens Corning Responsible Disclosure Policy

## Security Vulnerability Disclosure

- If a vulnerability is discovered in a website, cloud platform, or other internet-facing resource that is owned or operated by Owens Corning, contact our Information Security team at the below email addresses:
  - cybersecurity{@}owenscorning{.}com
- If a discovery is made that involves sensitive user data such as PII, do not share it directly via email. Contact the Owens Corning Information Security Team at the previously mentioned email addresses to make us aware of the disclosure and we will provide a secure location for you to share the data.
